MPD 2019 will offer views of top class invited speakers from leading industry and academia on latest trends and achievements in industry digitalization, business leadership and the future of work in the era of **Ecosystem Economy -the next frontier of industry**.

More than 800 participants are expected to attend this executive and visionary MPD 2019 industrial summit. MPD will bring together the top of digital & manufacturing industries, researchers as well as technology and service providers from all around the world to meet and exchange views in Tampere, Finland.

*-Tomas Hedenborg, MPD 2019 General Chair, President of ORGALIME*
